

175 Acres - Crawford County, Georgia

Tract A152 (SOLD)

Acreage

175 Acres

General Description

Just bring your toothbrush and a change of clothes--all the work is done! Nice Middle Georgia recreational tract. The tower stands are up and the food plots are in. Everything is ready and waiting for you. Located in Northern Crawford County off Hwy 341, this tract's location makes it very convenient to Macon or Atlanta. A beautifully decorated 2bd/2ba 1300 sq ft. cabin sits on a 4-acre stocked lake. With the exception of taxidermy, all furnishings stay! Enjoy sitting on the huge screened-in back porch or wrap around deck with family and friends. This cabin has all the amenities of home; no detail has been overlooked! An air-conditioned one-room bunkhouse with running water makes a nice place to put the kids or hunting buddies. This tract has a 60 acre stand of six-year old planted pines, some nice hardwood bottoms, and a small stream. Great, great neighbors. There are just too many amenities to list on this one. You've got to see it for yourself!
